# OTHER USEFUL INFORMATION

---

## CLIMATE

Marrakech has high desert climate with hot dry summers and a cooler but still usually very sunny winter.

May & June in Marrakech are warm, dry and windy, with balmy evenings.

The average temperature will range between 28 °C and 38 °C

## HEALTH AND WELL-BEING

Apart from universal vaccinations (tetanus, polio, whooping cough, diphtheria, hepatitis B), no additional vaccinations are required to visit Morocco.

The closest hospital to the GITEX AFRICA exhibition site is **Hospital Ibn Zohr**

## OTHER USEFUL INFORMATION

### CURRENCY IN MOROCCO

The official currency unit of Morocco is the Moroccan dirham (DH) which is an abbreviate of (MAD).

### HOW TO PAY IN MOROCCO?

In Morocco, like most countries in the world, you can pay by cash or credit card. When paying by credit card, the exchange rate applied is the current rate. The maximum commission depends on each issuing institution, it is generally 1%.

### CURRENCIES EXCHANGE

In establishments that do not give the possibility to pay by credit card, it is preferable to pay in dirhams. The best places to change your currency are the exchange offices that are located in the tourist squares of each city in Morocco. You can change your currency at the airport or in hotels as well.

### VAT ON REVENUE APPLICABILITY

As a general rule, all services and sales operations performed and used in Morocco are subject to VAT, even if the service provider or/and the customers are a non-resident company. Services rendered in Morocco are subject to VAT at the rate of 20%.
